

# Semester in Seville for Nursing Majors

## Study Abroad and stay on track!

The College of Nursing and Health Sciences and the International Programs Office, in partnership with API, are excited to offer sophomore Nursing majors an opportunity to study abroad during the 2025 Fall semester in Seville, Spain.

Students will be required to take: "Lifespan Development and Health Promotion" and "Concepts of Scholarship in Nursing" Students will select **two/three** additional courses that will fulfill University Studies and/or other graduation requirements. Students should consult with the College of Nursing on the selection of these courses.
