

GO GLOBAL: STUDY ABROAD

UMass Boston encourages all students to study abroad while pursuing their degree. This experience sets you apart from other job or graduate school applicants, and it is more affordable than you may think! Financial aid can be applied to semester or year-long programs, and scholarships are available to help with the cost. Our partner, Academic Programs International (API) delivers quality programming at prices on par with UMass Boston tuition.

WHAT YOU GAIN

- Academic Credit
- Cultural Awareness
- Global Perspective
- Career-Readiness
- Differentiated Resume
- Amazing Memories

UMass Boston students get special pricing on approved API programs, and may be eligible for a scholarship of up to \$2,000!
